Governance

High standards of corporate and personal conduct are a requirement for the LPC and its members and all aspects of the LPC’s operations must be open to scrutiny. To achieve these standards, frameworks, procedures and the necessary values and behaviours need to be in place and that: making sure the LPC is acting transparently, honestly in the interests of all contractors and not in the self-interest of its members.

Accordingly, ‘Governance’ is the first and one of the longest section of the tool
